

Name	Dragon Dreaming®
Methodology	<p>Dragon Dreaming is composed by four parts, or steps, of the project wheel:</p> <ul style="list-style-type: none"> • Dreaming: a Dream Circle is created by the facilitator. This is a meeting where the collective intelligence of a group is liberated. Each participant take the floor to shape the collective dream in an informal manner. • Planning: once figured the dream, participants set out the objectives during the planning phase. Objectives should be drafted in a way that they are concise, inclusive, memorable and inspirational • Acting: the implementation stage. During a short-term dragon dreaming, it is the phase in which participants do the exercise they have planned in the previous two stages • Celebrating: celebrating the achievements makes an integral part of the Dragon Dreaming Exercise, in order to keep the inspirational momentum in participants
