Name	World Café
Brief Description	World Café is a method conducted in a workshop format which follows the principle of a good conversation, where all attendees are able to express their voice in a matter of their choice.
Methodology	<ul> <li>A World Café encompasses:         <ul> <li>The setting should create an atmosphere which is often modelled like a Café, including roundtables with four or five chairs.</li> <li>One person is the designated table host for each of the roundtables. This person is staying in that same table throughout the session, welcoming the participants, launching questions (defined in advance) designed to spark conversation and moderating the dialogue.</li> <li>The process begins with the first of three or more 20-min rounds of conversations in smaller groups seated around a table,</li> <li>After, each member of the group will move to the next table and so on, until all attendees have visited all tables.</li> <li>Each table has a specific question or set of questions to address.</li> <li>The bigger group will convene in plenary, where the results of each table are shared with the audience, often accompanied with a graphic recording.</li> </ul> </li> </ul>
Estimated planning time needed:	2-4h
Objective	World cafés meet a variety of needs according to the number of tables, design of discussions and recording mechanisms. They are mainly used for networking and discussion purposes
Time estimated:	30 min to 2h
Composition of audience:	All audiences suit this format
Experience level required:	Comparable level of experience among participants is envisaged
Number of audience:	10 - 40
Level of complexity and possible challenges	Medium - The presenter should have good knowledge and organisational skills.
